Summer is here!!!

There are a lot of summer activities for you to enjoy, from picnics and swimming to golfing and boating. As we enjoy these activities, health and safety should always be our number one priority to avoid injury or tragedy. Take a few minutes to plan your outings and bring equipment and items that will keep you safe. How many of you have a cell phone with you should an emergency arise? How about a first-aid kit? These two simple items become very important because at one time or another each one of us didn’t think we would need or use it but had to rely on one or the other.

When our children, or grandchildren, are with us this summer be extra careful around rivers and lakes. No matter how good of a swimmer you think they are, things happen that could end in tragedy. When camping, camp fires every year injure humans and property. The Shriners Hospitals for Children receive children every year with burns from a camping outing where a child got too close to a fire and became injured. The main message here is to go out and have fun but be careful and cautious. The Nile Shrine Center has many activities and fundraisers that clubs and units are involved in and social events. Let’s enjoy them all and KEEP SAFE.

In our last article we reviewed the independent living options available to one as they grow older. In this month’s article, we are going to talk about choices which offer more structure and assistance. These choices include, Assisted Living Facilities, Adult Family homes, and Nursing Facilities. Assisted Living facilities are larger communities where each person usually has their own private apartment with a private bath. In addition there is assistance as needed with personal care, medications, transportation, housekeeping, meals, and other daily living needs. Assisted living facilities offer a less expensive and more desirable arrangement than a nursing home. This type of housing is designed for those people who have some care needs, but don’t have the physical, medical, or mental impairments that require a Skilled Nursing Facility. No matter the size, assisted living facilities offer individual choices, independence, and the security of not being alone.

Another alternative is an Adult Family Home. Adult Family Homes are actual homes which the owner or renter opens up to care for up to six residents. They provide room and board as well as assistance with personal care tasks. Some homes have private rooms while others have shared rooms. The community includes, like the kitchen, living and dining area, are shared by the residents and sometimes the family caregivers.

In both Assisted Living and Adult Family homes, arrangements are sometimes made for residents to have outside agencies, therapists, or visiting doctors for residents’ needs. Transportation, excursions and field trips may also be available.

Continuing Care Retirement Communities—sometimes called life care communities—have been around for over 30 years. These are typically exclusive upscale continuing care retirement communities. Nobles all, as July presents itself, so do two more Pot o’ Clubs: Sedro Wooley (Low Tides) and Granite Falls (Gorillas take place on Friday, July 4th. Tour De Terrace takes place in Mountlake Terrace on July 25th. Both parades are on Fridays, leaving Saturday and Sunday for your home repairs and yard work. The last Pot o’ Call’s is the 1st Saturday in October when “Railroad Days” takes place in Granite Falls.

Although there will be no Pot o’ Call parades in August and September, there will be other events taking place throughout the summer. Keep yourselves apprised of these summer events and plan to attend them. By the way, I really appreciated the turnout at the two parades in May, Sequim and Bellingham. That’s the kind of Nile spirit that allows us to look superb in the eyes of the spectators and should make us feel a bit of pride. Let’s keep up the SPIRIT, see you down the road.

Calliope

by Bob T. Wilson, Captain

In July the unit will participate in the Sedro Wooley parade on the 4th, and the Mountlake Terrace parade on the 25th. On August 23rd, the Calliope unit will help at the ticket table during the Rock & Roll Concert. Volunteers will be needed. We will discuss this further at a future meeting.

The Caliope Unit presently meets on the first Tuesday of the month at 11:30 for lunch, the meeting to follow. These hours could be changed for those working Nobles. Please contact our Secretary, Noble Bob O’Hara, 206-546-5412 (H), for more information and a petition. His phone is 206-546-1426 (H), and 206-743-4456 C.

Men’s Golf Club

by Ned Daniels, President

As we approach the middle of the golfing season for the Golf Club, a few thank you’s are in order. To John Cohn who so aptly prepares our great dinners once a month after our meetings. To Amos Chapman who is always ready and willing to help with the clean-up duties. To Tim Karas who is always there to lend a helping hand. To George Young who is always ready to tackle the various projects of the Club. To Arnie Ringstad who stepped in to solve the first crisis for the Golf Club season. He repaired our ice machine!

Now that summer is in full swing, be sure to mark your calendar for Saturday, July 12th, for the Annual Nile Shrine Golf Classic Tournament. All Nobles are encouraged to support this fund raiser, of which a large portion of the proceeds go to support the Nile Shrine Temple. Open to the public, it’s always a lot of fun! Our Navy Day Tournament has returned. Noble Jerry Biddle has advised us that it will be on Thursday, July 31st. More details will become available later.

The next Golf Club Business meeting will be Wednesday, July 30th. Zem Zem at 5:30 pm, business meeting at 6:00 pm, dinner at 7:00 pm. Hope to see you there. You may want to consider a Social Membership in the Men’s Golf Club, which is only $40.00 per year. Or Full Membership for $60.00 which includes $25.00 dues for the Washington State Golf Association to record and keep your handicap. Lockers are still available for $30.00 per year.

The Men’s Golf Club is one of the active clubs in Nile Shrine. Though we only have regular meetings from early spring till early fall, several meetings can almost always be found either in the Golf Club room or on the patio seven days a week. Enjoy the Nile Shrine Country Club at it’s finest! Be a member of the Men’s Golf Club.

Ladies’ Golf Club

by Karin Inglertinger

Summer weather has finally arrived and it is so nice not to have to bundle up to play. Barbara Scott won the June Monthly Medal competition. Good luck to all!

The Calliope Unit presently meets on the first Tuesday of the month at 11:30 for lunch, the meeting to follow. Way to go, Barbara. Criss Best won low puts for the 9 holes. Golf balls were given to Nan Bask for another low put for the 9 holes. Linda Shaw had one of the first birdies recorded so far this season. Congratulations, ladies!

The Ladies’ monthly meeting followed. It was announced that Criss Best has agreed to be the “go to” person for the 9 hole golfing group. We have two new members who will be having with the 9 holes, Karen Teel and Nancy Williams. Welcome to you both. Minutes will be posted in the Club Room for a complete accounting of the meeting. The Potenlatae’s Cup was a low net competition played in June and results will be listed in a future issue.

The Spring Eclectic tournament ends July 8. This is a multi round golf tournament that results in one 18 hole score per player. Fall Eclectic begins on July 15. Remember to post those improved holes every Tuesday that you play.

The Captain’s Cup also begins July 15 for round one. The second round will be played on July 22. Captain Mary Jo Torovla has chosen “points” for this year’s competition. Good luck to all!

We are looking for new members to join either our 9 hole or 18 hole groups. Bring a friend. You can enter Tuesday competition or just play for fun. Call Elaine Cohn 206-567-7106 or Suzanne Young 206-363-6152 for more information.

Mark your calendars -- Navy Day is July 31. “May the gods of golf smile on you and give you pars” to those who play.

Eastside Shrine Club

by Michael Riley, 1st Vice President

The Eastside Shrine Club had planned to meet in June, however it all slipped through the cracks. The club will meet again on September 25th at a place to be determined as there is no room at the Big Fish.

The club purchased two $100 million Club Certificates from donations received at meetings this year. We will continue to purchase these certificates.

President DJ asks that ESC members to please participate and support the Rock & Roll Concert to be held August 23rd at Zem Zem. As a way of volunteering to be ticket takers or ticket assistants. This is a service we can perform for the good of Nile so please do give it careful consideration and support.

If any members have an interest in fishing for salmon in the Campbell River or BC area, George Pentland knows qualified fishing guides that he can recommend. He says the fishing is the best it has been in several years. George can be reached at pentlandg@comcast.net.

Don’t forget to attend the Renton Shrine Club’s “Oktoberfest” at Dick and Margaret Gerber’s house on Saturday, September 6 at 6 pm. Sounds like fun!

Interested in attending? Give Henrietta Armfeld a call for reservations in September, at 425 836-1278.

West Seattle Shrine Club

by Shirley Fjoslien, PHP

There is no stated meeting in July or August, however, our new director is planning a potluck picnic on Thursday, July 24th at the home of Don and Marilyn Charles. They have been graciously hosting this event for the past few years and we are looking forward to their appreciation and support.

The regular weekly meeting will be held on Wednesday. Instead, our meeting will be on Friday, September 5th. Dinner will be at 6:00 with the meeting beginning at 7:00. The Patrol will serve their salad dinner and the refreshments will be provided by the Temple. This will be the Official Visit of Grand High Priestess Lady Bea Hillman.

Our Auction is scheduled for Saturday, November 4th at the Nile but preparations are already underway. If you have questions, please call Chairman, Lady Dani Haslan, 1st Ceremonial Lady. For auction donations, please contact Lady Tina Roberts-Martiner, PHP.

Have a wonderful summer.

Hatusa Temple No. 1

Queen Nicole Cain lead members of Hatusa Temple at the “Follow the Stars into the Next Century” Supreme Canadian Flag Escort Session held in Omaha. Tornado warning sirens and baseball sized hail punctuated one afternoon session.

Time to make your reservations for the Fall Ceremonial in Fairbanks, Alaska, contact Pr. Karen Krows Cain at 907.346.2620, 907.317.8865 or karencain1913@gmail.com. Rooms at the Westmark Hotel are $74.00/night for two Queen Beds. Share a room to reduce the cost. The date is September 20th and these special rates apply to two days prior and 2 days post so come and enjoy the events planned by our Alaskan Princesses.

DRAPERY FUND

Attention Clubs, Units, and Members,

As you may have observed, Nile needs new draperies. The Daughters of the Nile Pageantry Unit started a Drapery Fund by donating $200. We are hoping that you can work together and raise enough money so new draperies can already be purchased for the lobby.

Thank you for your consideration and donations to the Drapery Fund!

Edith Grambo, President, Pageantry Unit

Dear Fellow Nobles,

Everyone has their own personal story, and their own personal reasons, for becoming a Shriner. Since there are hundreds of thousands of members, there could be hundreds of thousands reasons to join our fraternity. I would guess the majority of the reasons are a version of wanting to support our philanthropy, Shriners Hospitals for Children®, or wanting to make the world a better place by helping children who need specialized medical care.

If you ever wonder if our efforts make any difference, let me introduce you to Marty Jessee and his family, whom I re-connected with at the South Atlantic Shrine Association meeting in March. Ilustrious Sir Jessee became a member of Kazim Shriners in Roanoke, Va., in 1992. He knew about the Shriners, and our parades, and about our health care system. He learned a whole lot more about what Shriners Hospitals for Children can do when his daughter, Af- ton, now 11, suddenly stopped walking when she was 13 months old. After local physicians couldn’t help his daughter, Jessee took her to our Greenville hospital. There, the medical staff diagnosed Afton’s problem as juvenile rheumatoid arthritis, and prescribed a regimen of medication. According to her father, Afton was running after only 24 hours of treatment. She has been in remission for the last three years. Today, Afton plays softball and volleyball. It was my honor to share a dance with her at the association meeting.

I’d say it was a great idea and something other temples should consider.

If you ever wonder if what we do is important, remember Afton Jessee and his family.

Working on Raising Awareness

There is no doubt that Shriners Hospitals for Children change lives; however, we treat a unique selection of children that aren’t always things everyone hears about all the time and are aware of. And so we have to continue to work to raise awareness of who we are and what we do – we want every family with children coping with orthopedic conditions, burn injuries, spinal cord injury or cleft lip and palate to know Shriners Hospitals for Children can likely help them, and they should pick up the phone and call us.

To that end, we are currently testing new direct response television ads designed to raise both awareness and donations for our health care system.

To make sure we’re spending our advertising dollars wisely and maximizing our fundraising, we’ve spent the past two months conservatively testing various networks and time buys. These initial tests will help deliver a baseline of results to determine the best return on our media investment dollars. A slow testing period also provides a ramp-up period to make sure the call center is comfortable with the phone script and to ensure digital data flows are in place to make proper spot-buying decisions.

We’ve tested several different spots including three featured patient stories: Sadie from Greenville, https://www.youtube.com/watch?v=qqCBHVR1eL4 Owny from St. Louis https://www.youtube.com/watch?v=itsFkuLPfPM Julian from Tampa https://www.youtube.com/watch?v=VNLQzQAvWMc2

You can view the spots by navigating to these links which will take you to our YouTube channel. Over the next few weeks you will have the ability to catch the spots on the following networks: Universal HD, Smithsonian, Inspiration, Hallmark Movie Channel, AMC and 10 Channel Live. As we come out of the test phase into the rollout we’ll expand to Lifetime, Reelz, USA and TNT. Most of our spots fall in the 2 -9 p.m. time frame. Due to the nature of DRTV airtime buying and the significant negotiations involved, it is hard for us to provide TV schedules in advance.

Because we are still in the testing phase it is important we don’t widely disseminate these videos. There is a marketing plan around the spots and specific tracking phone numbers and website addresses that allow us to measure their effectiveness. If you have any questions about a spots’ usage please contact Amy Ritzel, corporate director of public relations at artiez@shrinenet.org.

Supporting Shriners’ Efforts

Recently, First Lady Margaret and I visited Panama to spend time with Aboos Saad Shriners and support their collaboration with a local rehabilitation center that sees many of our patients for follow-up care, eliminating the stress and expense of travel to the U.S. Aboos Saad Shriners are also helping the clinic with plans for a movement analysis laboratory, which will greatly enhance the understanding of mobility impairments of children in the area. Roy Davis, Ph.D., of our Greenville hospital, who is an expert in movement analysis, will be assisting with this project. We certainly applaud and support this initiative, and will support it as appropriate. During our visit, we also spent time with the assistant to Panama’s First Lady, who was very gracious, and toured the Presidential Palace, and the famous Panama Canal, with its intricate system of locks. We thank Potentate Alberto Thompson and his Lady Isabel, the Divan of Aboos Saad, and all the nobles for their warm welcome and generous care.

Caring for Veterans

We recently celebrated Memorial Day — a time we remember and honor our veterans, and consider the debt we owe them for making such great sacrifices to keep our country safe. We all share deep compassion and concern for our wounded veterans, and want to assist them in any way we can. At the Joint Board meeting in April, approval was given to form a committee to consider possible ways we, as Shriners, could help these wounded heroes through our philanthropy, Shriners Hospitals for Children. The committee will proceed with the creation and implementation of a feasibility study. Once that is completed, it will be reviewed by your Joint Board, and initial decisions will be made. We must proceed carefully and cautiously, and be sure that any actions our organizations take officially are well thought-out and appropriate to our mission. That said, there are many organizations in place offering assistance to our veterans, and, in the meantime, each of us can certainly personally support any of these organizations as we see fit.

Accuracy is Important

I have a request of all nobles. We have made major efforts this year to strengthen and enhance communication throughout the fraternity in order to ensure that every Shriner is informed and has the most up to date information on both the fraternity and the philanthropy. We are a large organization, with members around the globe. Obviously, effective and efficient communication begins with accurate and correct contact information. Apparently, many fraternal addresses are not up to date. I am asking each one of you to verify all of your individual contact information (traditional mailing address, e-mail addresses, telephone numbers, etc.) with your temple. We use the contact information provided by the temples for our communications; if these are not correct, our efforts are in vain, and resources are wasted. Please take care of this as soon as possible.

Imperial Session is just a few short weeks away. We look forward to seeing as many of you as possible in Minnesota, and welcome the opportunity to thank you in person for all your efforts on behalf of Shriners International and Shriners Hospitals for Children. Yours in the faith, John A. Cinotto, Imperial Potentate

This is what Shriners and Shriners Hospitals for Children are about. But there’s more. Marty Jessee’s entire family, including Afton and his other daughter, Kendra, are active participants in temple and hospital activities, including attending Imperial Sessions as a family. Strengthening families and providing family activities are also hallmarks of Shriners International and Shriners Hospitals for Children.

When Ilustrious Sir Jessee served as Kazim’s Potentate in 2012, he held the ceremonial at the Greenville hospital. He believes this experience is something the three busloads of new Shriners, who were given a tour of the hospital will never forget.
